Bylaws Article 4. Members

- 4.1 Membership in the Pool is limited to Utah counties and county related entities that properly enter into the Agreement.
- (a) To be eligible as a County Controlled Entity, a county related entity must:
 - i. be approved by the participating Member County by resolution of the Member's governing body to share the coverages and limits provided to the Member by the Pool;
 - ii. Enter into an agreement with the Member County to provide all information, assistance and cooperation for the Member County to meet the Member obligations enumerated in the UCIP Interlocal Agreement and Bylaws as if the County Controlled Entity were a department of the Member County; and
 - iii. be a county related entity as described in 4.3(c)(ix).
- (b) To be eligible as a separate UCIP Member a county related entity must:
 - i. have statutory authority to enter into an Interlocal Agreement;
 - ii. be able to meet the Member obligations enumerated in the UCIP Interlocal Agreement and Bylaws;
 - iii. be sponsored by a participating Member County by resolution of the Member's governing body; and
 - iv. provide services which are beneficial to the sponsoring Member County or county government generally.
- (c) In addition to the requirements of eligibility under 4.3 (b) Be organized and operated pursuant to statute.
- Interlocal Agency Special Service District Local Building Authority or Municipal Building Authority Conservation District Recreation Board Community Development or Renewal Agency County Health District or multi-county Health District Children's Justice Center Mineral Lease Payments
